

# Conversational Breakfast

## Find Your Hidden Treasures!

This breakfast will provide opportunities to transfer skills and to take risks...and to eat a delicious breakfast while practicing!

Each student may visit up to 10 speaking stations. The stations will be organized by graduate clinicians from Miami University and University of Cincinnati. These stations will challenge each child/teen with different speaking activities. For each station attempted, the students will receive a raffle ticket and Hidden Treasures puzzle piece. The raffle drawing for baskets will take place during the closing ceremony. Remember...everyone wins for taking a risk!

Have fun and try not to talk with your mouth full!!!

Saturday Morning

# CONVERSATIONAL BREAKFAST: TALKING STATIONS

Can you find your Hidden Treasures?

1. Talking on the telephone
2. Reading aloud
3. Fake stuttering for one minute
4. Telling someone you stutter
